

PRIVACY POLICY

We protect your privacy and take our responsibility to handle all personal data in accordance with applicable regulations.

In our business we process personal data about candidates and contact persons for our customers. Personal data we collect include the information you provide to us in connection with the services, such as name, e-mail address, telephone number and any other information voluntarily provided by you such as employment history. We only use the data in regards of the services we provide.

For storing your data we use CRM system Recruit So Simple which is fully compliant with the GDPR. All the data is stored in two alternative locations within the EU at all times, as per AWS recommended guidelines. The system prevents users from editing or deleting notes once they have been created, when records are deleted, all associated data is also permanently removed, and it permits export of all of your data, at any time, from within the system in CSV format.

We process your personal data during the time the cooperation is ongoing. When the processing ceases, we will also delete your personal data, unless there is another legal ground for keeping it. We keep your information no longer than three years without further agreement. You are entitled to a copy of your personal data stored, to obtain rectification of inaccurate personal data and to have incomplete personal data completed and to request us to delete your personal data from our system.
